UACS JUMPS FOUR SPOTS UP ON WEBOMETRICS

**Webometrics Ranking
of World Universities**

The [January 2013 Webometrics ranking](#) brought to UACS the 6th position in Macedonia, jumping up from the 10th position six months back, which is the largest improvement a Macedonian university notes in this wave. On the global ranking list, UACS improved by also large 20% and the improvement has been widespread in all categories that the index covers.

UACS SIGNED MEMORANDUM OF UNDERSTANDING WITH MACEDONIA 2025

On February 15 a Memorandum of Understanding was signed between University American College-Skopje and Macedonia 2025. The Memorandum was signed by Dr. Nikica Mojsoska-Blazevski, Dean of the Business School and Mr. Zoran Martinovski, country manager at IFC.

The two institutions will promote educational programs and professional gatherings that improve certain areas of the Macedonian higher education system, and will cooperate in the execution of scientific and research activities.

The representatives of Macedonia 2025 and University American College Skopje strongly believe that this cooperation will bring many benefits to both educational and business development of Macedonia.

GUEST SPEAKER MR. IDZET MEMETI

On February 21, 2013, the Ombudsman of the Republic of Macedonia, Mr. Idzet Memeti, was a guest lecturer on the course for European Human Rights Protection System.

Mr. Memeti spoke about the implementation of the European conventions and other documents in the field on human rights and freedoms, as well as the problems of the implementation. Also Mr. Memeti participated in the Q&A session with the students after the

PAPER IN COMPARATIVE ECONOMIC STUDIES

Marjan Petreski published his article "[Monetary policy conduct in seven CESEE countries on their road to the Euro](#)" in the renowned economic journal Comparative Economic Studies, 55(1), p.1-41. CES has a Scopus impact factor of 0.39 and ranks 279 in 2011 out of more than 600 worldwide economic journals.

ANNUAL CLOSING CONFERENCE OF THE "GENDER PAY GAP" PROJECT

Our professors Marjan Petreski and Nikica Mojsoska Blazevski participated at the Annual closing conference of the "[Gender pay gap](#)" project, taking place in Belgrade, Serbia on 22 February. The project which was conducted as a joint venture of UACS and FREN Belgrade (University of Belgrade) and commissioned by the Regional Research Promotion Program, came to an end. The research will be published as a booklet in Macedonian language, as well in a peer-reviewed journal.
